Education

Daingerfield High School

Aug 2000-May 2004

Daingerfield high school is a public school located in Daingerfield, TX. During my time in high school I achieved a 3.6 GPA and upon graduation I was recognized as a Texas Scholar as well as a member of the National Honor Society. I also participated in varsity football where I was a three-year letterman and received all-district, all-East Texas, and all-state honors.

Texas Christian University

Aug 2004-Dec 2008

I have just graduated with a major in Environmental Science and a minor in Business. While at TCU, I was a member of the TCU Environmental Club, I played a supervisory role in the TCU Police Department, and upon graduation I earned a 3.0 GPA. I was also a member of the TCU football team which is a nationally ranked Division I-A team. While at TCU I have gotten to travel as well as go on study abroad trips to places like Alaska and Costa Rica. I have taken the GRE and received a score of 1120.

Work Experience

TCU Police (Security)

Aug 2005-Dec 2009

- While at TCU I was employed by the TCU Police Department and worked in the Security Division. I was a supervisor for the “Froggie 5-0” work-study program.
- Froggie 5-0 was created to help ensure the safety of the campus and to combat sexual assaults. It is a program that employs students who are required to patrol campus at night on passenger carts and give escorts to women who need rides around campus.
- Every night I was responsible for four drivers and a dispatcher. It is our job to serve as extra eyes and ears for the campus police. It is also my responsibility to ensure the safety of our passengers and also the campus in general.

Madrona Creek Ranch

May 2008-Jul 2008

- Madrona Creek Ranch is a game ranch located in the Texas Hill Country.
- As a hand I was responsible for overall ranch work that included brush clearing, construction, and maintenance of game management equipment.
- During my time there I also installed a rainwater catchment systems, built composting toilets, and did prescribed burns.

JHL Outfitters

Jun 2007-Aug 2007

- JHL Outfitters is a company that provides hunting, fishing, and general pack trips in the Greater Yellowstone Wilderness in Western Wyoming.
- As a hand I was responsible for the health, safety, and function of 32 horses and pack mules. This includes saddling pack animals as well as riding animals. I was responsible for any malfunction in equipment that would endanger the equipment on the pack animals and the safety of the riders. It was also my responsibility to help set up camp and provide the customers as well as the cooks whatever they needed.

Manasco Inc.

Jun 2007-Aug 2007

- Manasco Inc. is based out of Riverton, Wyoming and deals with the sales, repair, and installation of irrigation equipment.
- As an employee I had several duties that included unloading shipments of equipment, maintaining the shop, and working on the pivot crew. The majority of my time was spent on the pivot crew where we were responsible for the construction and function of systems worth upwards of one million dollars

Interests

I grew up on a small farm in East Texas and I have a deep, inherent love for nature that words cannot explain. I enjoy anything outdoors including fly-fishing, horseback riding, and surfing. I am a member of Trout Unlimited and an avid reader of anything that has to do with dinosaurs, trees, and Irish history.
